#### Official Form 101

#### **Voluntary Petition for Individuals Filing for Bankruptcy**

04/20

The bankruptcy forms use you and Debtor 1 to refer to a debtor filing alone. A married couple may file a bankruptcy case together--called a joint case--and in joint cases, these forms use you to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be yes if either debtor owns a car. When information is needed about the spouses separately, the form uses Debtor 1 and Debtor 2 to distinguish between them. In joint cases, one of the spouses must report information as Debtor 1 and the other as Debtor 2. The same person must be Debtor 1 in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

#### **Explain Your Efforts to Receive a Briefing About Credit Counseling**

 Tell the court whether you have received a briefing about credit counseling.

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again. About Debtor 1:

You must check one:

✓ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

☐ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any.

☐ I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

briefing in person, by phone, or through the internet, even after I reasonably tried to do so.

Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court.

About Debtor 2 (Spouse Only in a Joint Case):

You must check one:

☐ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

### ☐ I am not required to receive a briefing about credit counseling because of:

Incapacity. I have a mental illness or a mental

deficiency that makes me incapable of realizing or making rational decisions about finances.

Disability. My physical disability causes me

to be unable to participate in a briefing in person, by phone, or through the internet, even after I reasonably tried to do so.

Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court. ### Schedule G: Executory Contracts and Unexpired Leases

12/15

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, copy the additional page, fill it out, number the entries, and attach it to this page. On the top of any additional pages, write your name and case number (if known).

- Do you have any executory contracts or unexpired leases? No. Check this box and file this form with the court with your other schedules. You have nothing else to report on this form.
  - Yes. Fill in all of the information below even if the contracts or leases are listed on Schedule A/B: Property (Official Form 106A/B).  $\overline{\mathbf{M}}$
- List separately each person or company with whom you have the contract or lease. Then state what each contract or lease is for (for example, rent, vehicle lease, cell phone). See the instructions for this form in the instruction booklet for more examples of executory contracts and unexpired leases.

# Notice Required by 11 U.S.C. § 342(b) for Individuals Filing for Bankruptcy (Form 2010)

### This notice is for you if:

- You are an individual filing for bankruptcy, and
- Your debts are primarily consumer debts.
   Consumer debts are defined in 11 U.S.C. § 101(8) as "incurred by an individual primarily for a personal, family, or household purpose."

## The types of bankruptcy that are available to individuals

Individuals who meet the qualifications may file under one of four different chapters of the Bankruptcy Code:

- Chapter 7 -- Liquidation
- Chapter 11 -- Reorganization
- Chapter 12 -- Voluntary repayment plan for family farmers or fishermen
- Chapter 13 -- Voluntary repayment plan for individuals with regular income

You should have an attorney review your decision to file for bankruptcy and the choice of chapter.

### **Chapter 7: Liquidation**

+	\$78	filing fee administrative fee trustee surcharge
	\$338	total fee

Chapter 7 is for individuals who have financial difficulty preventing them from paying their debts and who are willing to allow their non-exempt property to be used to pay their creditors. The primary purpose of filing under chapter 7 is to have your debts discharged. The bankruptcy discharge relieves you after bankruptcy from having to pay many of your pre-bankruptcy debts. Exceptions exist for particular debts, and liens on property may still be enforced after discharge. For example, a creditor may have the right to foreclose a home mortgage or repossess an automobile.

However, if the court finds that you have committed certain kinds of improper conduct described in the Bankruptcy Code, the court may deny your discharge.

You should know that the even if you file chapter 7 and you receive a discharge, some debts are not discharged under the law. Therefore, you may still be responsible to pay:

- most taxes;
- most student loans:
- domestic support and property settlement obligations;

- most fines, penalties, forfeitures, and criminal restitution obligations; and
- certain debts that are not listed in your bankruptcy papers.

You may also be required to pay debts arising from:

- fraud or theft;
- fraud or defalcation while acting in breach of fiduciary capacity;
- intentional injuries that you inflicted; and
- death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs.

If your debts are primarily consumer debts, the court can dismiss your chapter 7 case if it finds that you have enough income to repay creditors a certain amount. You must file *Chapter 7 Statement of Your Current Monthly Income* (Official Form 122A-1) if you are an individual filing for bankruptcy under chapter 7. This form will determine your current monthly income and compare whether your income is more than the median income that applies in your state.

If your income is not above the median for your state, you will not have to complete the other chapter 7 form, the *Chapter 7 Means Test Calculation* (Official Form 122A-2).

If your income is above the median for your state, you must file a second form--the *Chapter 7 Means Test Calculation* (Official Form 122A-2). The calculations on the form-sometimes called the *Means Test*--deduct from your income living expenses and payments on certain debts to determine any amount available to pay unsecured creditors. If your income is more than the median income

for your state of residence and family size, depending on the results of the *Means Test*, the U.S. trustee, bankruptcy administrator, or creditors can file a motion to dismiss your case under § 707(b) of the Bankruptcy Code. If a motion is filed, the court will decide if your case should be dismissed. To avoid dismissal, you may choose to proceed under another chapter of the Bankruptcy Code.

If you are an individual filing for chapter 7 bankruptcy, the trustee may sell your property to pay your debts, subject to your right to exempt the property or a portion of the proceeds from the sale of the property. The property, and the proceeds from property that your bankruptcy trustee sells or liquidates that you are entitled to, is called *exempt property*. Exemptions may enable you to keep your home, a car, clothing, and household items or to receive some of the proceeds if the property is sold.

Exemptions are not automatic. To exempt property, you must list it on *Schedule C: The Property You Claim as Exempt* (Official Form 106C). If you do not list the property, the trustee may sell it and pay all of the proceeds to your creditors.

### **Chapter 11: Reorganization**

+		filing fee administrative fee
	\$1,738	total fee

Chapter 11 is often used for reorganizing a business, but is also available to individuals. The provisions of chapter 11 are too complicated to summarize briefly.

#### **Read These Important Warnings**

Because bankruptcy can have serious long-term financial and legal consequences, including loss of your property, you should hire an attorney and carefully consider all of your options before you file. Only an attorney can give you legal advice about what can happen as a result of filing for bankruptcy and what your options are. If you do file for bankruptcy, an attorney can help you fill out the forms properly and protect you, your family, your home, and your possessions.

Although the law allows you to represent yourself in bankruptcy court, you should understand that many people find it difficult to represent themselves successfully. The rules are technical, and a mistake or inaction may harm you. If you file without an attorney, you are still responsible for knowing and following all of the legal requirements.

You should not file for bankruptcy if you are not eligible to file or if you do not intend to file the necessary documents.

Bankruptcy fraud is a serious crime; you could be fined and imprisoned if you commit fraud in your bankruptcy case. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$250,000, or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.

# Chapter 12: Repayment plan for family farmers or fishermen

+		filing fee administrative fee
	\$278	total fee

Similar to chapter 13, chapter 12 permits family farmers and fishermen to repay their debts over a period of time using future earnings and to discharge some debts that are not paid.

# Chapter 13: Repayment plan for individuals with regular income

+		filing fee administrative fee
	\$313	total fee

Chapter 13 is for individuals who have regular income and would like to pay all or part of their debts in installments over a period of time and to discharge some debts that are not paid. You are eligible for chapter 13 only if your debts are not more than certain dollar amounts set forth in 11 U.S.C. § 109.

Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, usually using your future earnings. If the court approves your plan, the court will allow you to repay your debts, as adjusted by the plan, within 3 years or 5 years, depending on your income and other factors.

After you make all the payments under your plan, many of your debts are discharged. The debts that are not discharged and that you may still be responsible to pay include:

- domestic support obligations,
- most student loans,
- certain taxes,
- debts for fraud or theft,
- debts for fraud or defalcation while acting in a fiduciary capacity,
- most criminal fines and restitution obligations,
- certain debts that are not listed in your bankruptcy papers.
- certain debts for acts that caused death or personal injury, and
- certain long-term secured debts.

#### Warning: File Your Forms on Time

Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information about your creditors, assets, liabilities, income, expenses and general financial condition. The court may dismiss your bankruptcy case if you do not file this information within the deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and local rules of the court.

For more information about the documents and their deadlines, go to:

http://www.uscourts.gov/forms/bankruptcy-forms

#### Bankruptcy crimes have serious consequences

- If you knowingly and fraudulently conceal assets or make a false oath or statement under penalty of perjury--either orally or in writing--in connection with a bankruptcy case, you may be fined, imprisoned, or both.
- All information you supply in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the U.S. Trustee, the Office of the U.S. Attorney, and other offices and employees of the U.S. Department of Justice.

#### Make sure the court has your mailing address

The bankruptcy court sends notices to the mailing address you list on Voluntary Petition for Individuals Filing for Bankruptcy (Official Form 101). To ensure you receive information about your case, Bankruptcy Rule 4002 requires that you notify the court of any changes in your address.

A married couple may file a bankruptcy case together-called a joint case. If you file a joint case and each spouse lists the same mailing address on the bankruptcy petition, the bankruptcy court generally will mail you and your spouse one copy of each notice, unless you file a statement with the court asking that each spouse receive separate copies.

#### Understand which services you could receive from credit counseling agencies

The law generally requires that you receive a credit counseling briefing from an approved credit counseling agency. 11 U.S.C. § 109(h). If you are filing a joint case, both spouses must receive the briefing. With limited exceptions, you must receive it within the 180 days before you file your bankruptcy petition. This briefing is usually conducted by telephone or on the Internet.

In addition, after filing a bankruptcy case, you generally must complete a financial management instructional course before you can receive a discharge. If you are filing a joint case, both spouses must complete the course.

You can obtain the list of agencies approved to provide both the briefing and the instructional course from:

http://www.uscourts.gov/servicesforms/bankruptcy/credit-counseling-and-debtoreducation-courses.

In Alabama and North Carolina, go to: http://www.uscourts.gov/services-

forms/bankruptcy/credit-counseling-and-debtoreducation-courses.

If you do not have access to a computer, the clerk of the bankruptcy court may be able to help you obtain the list.

#### Official Form 122C-2

#### **Chapter 13 Calculation of Your Disposable Income**

04/19

To fill out this form, you will need your completed copy of Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period (Official Form 122C-1).

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

#### Part 1: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.

Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not include any operating expenses that you subtracted from income in lines 5 and 6 of Form 122C-1, and do not deduct any amounts that you subtracted from your spouse's income in line 13 of Form 122C-1.

If your expenses differ from month to month, enter the average expense.

Note: Line numbers 1-4 are not used in this form. These numbers apply to information required by a similar form used in chapter 7 cases.

5. The number of people used in determining your deductions from income

Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.

National Standards You must use the IRS National Standards to answer the questions in lines 6-7.

**6. Food, clothing and other items:** Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.

\$1,740.00

7. Out-of-pocket health care allowance: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories--people who are under 65 and people who are 65 or older--because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.
